2. WHAT ARE COOKIES? Cookies are small data files placed on your computer or mobile device when you visit a website. Website owners widely use cookies to make their websites function properly, to operate more efficiently, and to provide reporting and performance analytics.

3. TYPES OF COOKIES WE USE We use first-party cookies (set by us) and third-party cookies (set by external providers, such as Google or Meta) for the following purposes:

- **Essential (Strictly Necessary) Cookies:** These cookies are strictly necessary to provide you with the services available through our Site and cannot be disabled in our systems. They are generally only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging into your dashboard, or completing registration forms. You can set your browser to block or alert you about these cookies, but some parts of the Site will not function. These cookies do not store any personally identifiable information (PII).
- **Analytics and Performance Cookies:** These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our Site. They assist us in understanding which pages are the most and least popular and in observing how visitors navigate the site (e.g., via Google Analytics). All information collected by these cookies is aggregated and therefore anonymous.
- **Marketing and Advertising Cookies:** These cookies may be set through our Site by our advertising partners (such as the Meta/Facebook Pixel). They may be utilized by those companies to build a profile of your interests and display relevant advertisements on other websites. They do not directly store personal information, but rather rely on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.

4. COOKIE MANAGEMENT AND CONTROL You reserve the right to decide whether to accept or reject non-essential cookies.

- **Preference Banner:** Upon your initial visit to our Site, you will be presented with a cookie consent banner permitting you to accept all cookies, reject non-essential cookies, or customize your preferences.
